

WATA TECH and CICON Collaborate with Korea CEO Summit to Shape Global Innovation – WATA TECH

Tuesday, 31.12.2024 WATA TECH and CICON Collaborate with Korea CEO Summit to Shape Global Innovation In a world driven by rapid technological advancements, partnerships and collaborations play a pivotal role in fostering innovation. At WATA TECH , we are committed to revolutionizing industries through cuttingedge IT solutions and groundbreaking AR/VR technologies. Recently, we had the honor of hosting Mr. Park Bung Kyu, Chairman of the Korea CEO Summit , at our headquarters to discuss the future of innovation, collaboration, and technology s role in improving lives. This strategic meeting marks a significant milestone for both WATA TECH and CICON , our dedicated AR/VR platform for creating transformative solutions. A Visionary Meeting of Minds The meeting between Mr. Park Bung Kyu and Mr. Luc Nguyen CEO at WATA TECH centered on the shared vision of leveraging technology to bridge the gap between academia and industry. Both parties explored opportunities to advance innovation across multiple domains, focusing on two key pillars: Enhancing Education and Research Collaboration between global academic institutions and industry leaders was highlighted as a cornerstone for building the next generation of innovators. By integrating WATA TECH s expertise in IT and AI with CICON s revolutionary platforms, we aim to advance education and empower researchers worldwide. Pioneering Transformative Solutions Our solution showcases our commitment to leveraging technology to improve the quality of life for people around the globe. From realtime monitoring to predictive analytics, our product is an example of how AR/VR can make a difference in critical areas like healthcare Expanding Opportunities for Global Collaboration The meeting concluded with an exciting invitation from Mr. Park Bung Kyu to participate in the Korea CEO Summit 2025 , scheduled for March. This prestigious event is a global platform where leaders and innovators across industries come together to exchange ideas, build partnerships, and inspire transformative change. By attending the summit, WATA TECH and CICON will have the unique opportunity to: Showcase our expertise in AR/VR platforms and innovative IT solutions . Forge strategic partnerships with global leaders. Exchange insights on the future of technology with worldrenowned experts. WATA TECH: Leading the Way in Innovation As a global leader in custom software development and IT consulting, WATA TECH has a proven track record of delivering solutions that drive business success.
